Dear Stan:

Mr. Kosoff is out of town at present and will be touring Europe for at least the next month. I will bring this list to his attention when he returns.

You might as a matter of course give me a better description on the 1895 proof dollar i.e. is it hair lined or is it a choice piece. I would be interested in this for Numismatic Enterprises if it is of quality, otherwise forget it.

Yours sincerely,
